- Approved for food handling
- Sizes: 6 Extra Small
7 Small
8 Medium
9 Large
10 Extra-Large
11 XX-Large

Description

Showa Best Nitri-DEX[®] Hybrid glove bridges the gap between chemical resistant gloves and disposable gloves by providing a comfortable 9 mil unlined 100% Nitrile glove made using a low modulus formulation. The tractor-tread grip glove is available in XS through XXL sizes. The hybrid combines durable chemical resistance with the low-modulus feel associated with our patented N-DEX[®] disposable Nitrile glove. Hand-specific packaging means less waste. Showa Best Nitri-DEX glove is proudly manufactured in the USA.

Suggested Applications

- Manufacturing
- Food Processing
- Light Duty Maintenance and Clean Up
- Laboratories
- Janitorial
- Paint Applications
- Poultry processing

This list of suggested applications is partial and based on laboratory testing of glove performance.
