Description

Zorb-IT® Pro-Safe 5505 glove is sponge nitrile-coated Zorb-IT® product line from Showa-Best Glove. This glove has Maximum Oil Absorbency (MXOA). This fully-dipped glove brings new levels of form-fitting comfort and cut-resistance, thanks to a cut-resistant liner made from aramid fibers and cotton. Its sponge-nitrile technology Longer and dipped deeper but still absorbs oil and water to deliver the same superior grip and handling in wet or oily applications that it does in dry jobs.

Launder at 40°C (104°F) using a neutral detergent.

Suggested Applications:

- Construction
- Mechanics
- Maintenance
- Sheet Metal Handling
- Recycling
- Oily Parts Handling
- Automotive Assembly
- Cut Resistance
- Glass Handling
- Shipping and Receiving

This list of suggested applications is partial and based on laboratory testing of glove performance.
