### Description

Best's NightHawk® disposable Nitrile glove is the newest member of our patented N-DEX® family of USA Made gloves. NightHawk is free of both Natural Rubber Latex proteins and rubber accelerators making it one of the world's least allergenic gloves. The textured fingertips provide excellent grip even in oily environments. NightHawk gloves also feature excellent Electrostatic Dissipative properties making it ideal for many electronic applications. Ideal for jobs where the going gets messy or the application calls for uncompromising tactile feel and touch, NightHawk is perfect for workers in automotive, electronic assembly, laboratory, law-enforcement and security environments.

Static Dissipative:  $2.2 \times 10^{11} \Omega/\square$  Test Method: ANSI/ESD SP15.1-2005 ESD Standard Practice for In-Use Resistance Testing of Gloves and Finger Cots

### Suggested Applications

- Automotive Maintenance
- Automotive Repair
- Painting
